Donation for Milk & Cookies Break at Mt. Sinai Hospital, Brooklyn

Rochelle Park, N.J., June 9, 2020 – PANOS brands®, is a unique collection of food products in the organic, ethnic, vegetarian, restricted diet, and gourmet food categories, while capturing consumer culinary trends such as plant-based, better-for-you, free from, and convenience. At PANOS brands we also value giving back. Recently we assembled a Community Support Taskforce (CoSup) to identify Covid-19 specific ways of giving back.

As a result, on May 27th we donated 240 servings of **Better Than Milk**® drinks and over 4,000 **MI-DEL**® cookies to the staff at Mt. Sinai Hospital in Brooklyn, NY, as a way of saying thank you to healthcare heroes. To get a glimpse of the event highlights you can view our short YouTube video clip here <https://youtu.be/bzQ4IIUHUU>. "I'm truly thankful and proud of my PANOS team for their efforts in making this donation a success. The nurses who greeted the PANOS team were so appreciative, and said they'd never been so excited in their adult lives for a milk and cookies break!", said Darcy Zbinovec, Chief Executive Officer.

Better Than Milk organic drinks are gluten free, dairy free, vegan and Non-GMO Project Verified. Made from fresh Italian mountain spring water, **Better Than Milk** plant-based beverages come in delicious Almond, Oat and Rice varieties, and only use responsibly sourced and fully sustainable packaging. Also, we care a lot about the environment, so our cartons are FSC certified, and the plastic caps are bio-based made from sugarcane (not petroleum).

MI-DEL cookies are baked to crunchy perfection. For almost 70 years, **MI-DEL** has been satisfying the appetites of small and big kids alike who want cookies that simply taste delicious. MI-DEL's story began in 1947 when Samuel Midel sought to provide his family simple, wholesome, great tasting Swedish-style snaps. As a pioneer in the gluten free cookie category, **MI-DEL** is a brand consumers know and trust, including **MI-DEL** gluten free pie crusts, great tasting allergen safe, non-GMO verified pie crusts.
